<p><b>Rights of Electricity Consumers Regarding Solar Energy Choice</b></p> <p>This amendment establishes a right under Florida's constitution for consumers to own or lease solar equipment installed on their property to generate electricity for their own use. State and local governments shall retain their abilities to protect consumer rights and public health, safety and welfare, and to ensure that consumers who do not choose to install solar are not required to subsidize the costs of backup power and electric grid access to those who do.</p> <p>The amendment is not expected to result in an increase or decrease in any revenues or costs to state and local government.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p><b>Use of Marijuana for Debilitating Medical Conditions</b></p> <p>Allows medical use of marijuana for individuals with debilitating medical conditions as determined by a licensed Florida physician.
